

Kroger Rewards for Nativity

If you shop at Kroger and have a Kroger Plus card (they are free at the store), you can register the card so Nativity earns rewards. This doesn't affect your gas points. It's a win-win for Nativity & YOU!

Register online at krogercommunityrewards.com

You will need your card number, your email address, your home address, and Nativity's NPO Number which is **51979**.

There is a spot for your birth date, but it can be left blank.

Once you have enrolled, you can verify everything is working merely by checking the bottom your receipt which will say that rewards have be credited to Nativity of Our Lord Church.
