

Nativity of Our Lord Parish

Welcomes the Mass Mob

November 17, 2019

Thirty-Third Sunday in Ordinary Time

It is with great joy that Nativity of Our Lord welcomes our brothers and sisters taking part in the "Mass Mob." Your visit gives us new life and reminds us, at Nativity, that there are many friends who cherish our beautiful city churches.

Although Nativity is an architectural gem and a building with great beauty, it is so much more. If these walls could talk, they would speak of the prayers and faith of generations. They would speak of celebrations of Baptisms, First Communions, Confirmations and Weddings. They would speak of the tears of fathers and mothers, husbands and wives, siblings and children as they prayed for consolation in saying good-bye to those they loved. These walls would speak of the quiet prayers prayed in this sanctuary when no one else was around. Yes, Nativity is so much more than this beautiful building. It is a building of faith and courage, tears and consolation, joy and laughter, strength and compassion. Yes, it is a place where the human and Divine come together to dance and experience the sacred. Welcome, once again, to Nativity and may you feel the tremendous power of this holy place.
