Make sure to check your hospital system and other chain pharmacies for vaccine appointments no matter where you live in the state. As more vaccines become available more places will be able to offer them.

## **COVID-19 Vaccine Information**

Updated: 06/11/2021

Important Note- Covid-19 vaccinations are free! You do not have to pay for this according to federal guidelines.

As more of the State of Michigan opens up there are frequent changes made. Keep up with the latest by going to <https://www.michigan.gov/coronavirus> .

For federal information check the Center for Disease Control (CDC) site at [www.cdc.gov](http://www.cdc.gov). Also check here for guidelines on what you can do after vaccination and how to continue to stay safe.
