

# Four Things to Bring to your Attention

1. With your help, the pantry shelves are stocked. As always, we will accept your donations. This week, there is no urgent need for any items. Thank you for your continued support.
2. We are now planning for our Christmas Assistance Program. Due to the pandemic, we are making some changes to the program that are different from the way we have done it for the last few years. One of those changes involves asking you if you would like to provide Christmas for a family in need. If you would like to adopt a family, please email Anne by using the parish email that is in the bulletin or on our website.

For other families that we will serve this Christmas, we welcome your donation of gift cards from Amazon, Target or Kohls.

3. We are grateful that parishioners have been diligent about observing social distancing and wearing masks so that all can be safe. However, out of an abundance of caution, one of our parishioners has wisely suggested that we should have a plan for contacting Sunday Mass attendees in the event that someone who has attended Mass lets us know that they have tested positive for COVID 19. In that event, we would want to contact everyone who attended the Mass, but we are aware that we may not have accurate phone and email information for everyone, including any guests. For that reason, starting next weekend, we will have clip boards at both side entrances so you can sign your name and phone number and/or email address. We ask you to sign in each week so we have accurate attendance information.
4. Earlier in the week we asked for your prayers for Tina Roberts. We are happy to let you know that Tina is doing well and is at home with her grateful family.

Have a good week,  
The Parish Team
