

October 31, 2021

Hello Parish Family,

As we end October and anticipate all that November and December will bring, we pledge to work to keep you informed about what is going on at the Parish. We hope that all of you will be able to come to the parish next Sunday, November 7th, as Father Dan Trapp will celebrate his first Mass as our Pastor at Nativity. That day we will also remember our loved ones who we have lost in the past year. Later in the day, don't forget about the Anniversary Gospel Concert at Sacred Heart Church. It begins at 5:00, tickets are \$10.00, and our own Kim Milligan will be performing in the concert.

Next week we will have information for you with details about the Christmas Gift Program. This is a whole parish undertaking, so we are counting on everyone to do whatever you can to support this ministry.

We want to congratulate Sol May on being inducted as our newest Minister of Service. We are blessed to have Sol in our parish and thankful that he has accepted this opportunity to serve.

Many thanks to Joni Scott and the teens of the parish for all they did to make the Day of Service successful. In addition, it was wonderful that they were able to provide individual kits for us to keep in our cars so we can share with people we encounter who need our care and concern.

Keeping you in prayer,

The Parish Team
