

March 13, 2022

Hello Parish Family,

Last week, we took up a special collection for the victims of the war in Ukraine. We will do that collection again this Sunday and use the money to buy supplies that will be delivered to the Ukrainian Catholic Cathedral in Hamtramck. They will make sure that the supplies they are requesting get to the appropriate places in Ukraine. Your generosity last Sunday exceeded any expectation we had and we thank you.

Please pray this Monday, March 14th, for a favorable outcome for Luz Ramos and her family at her Immigration Hearing. For those who wish to gather in prayer, there will be a service at St. Charles at noon.

We have been asked by the Archdiocese to send this letter to you from Archbishop Vigneron regarding several citizen led ballot initiatives pertaining to abortion rights in the state Constitution.

Finally, we want to thank you for the feedback we have received both in writing and in person regarding the issue of masks and social distancing. If you have thoughts on this issue before the Parish Council meets on Monday night, please feel free to share those thoughts via email or in person.

Keeping you in prayer,

The Parish Staff
