

May 15, 2022

Hello Parish Family,

Sadly, we need to begin this email with the news of the death of Christ Scott. Chris was a long-time parishioner who was very active in the parish as a Sunday School teacher, Mentor to the teens, and a Minister of Service. At this time, we have no details on arrangements, but we will send an email when we have information to share. Please keep Chris' family in your prayers.

We want to remind you one additional time about Monday night's "Journey with Jesus" Zoom presentation featuring Nativity parishioner, Sr. Marcia Haggins, Diane Simpkins from St. Charles, and Debra Fisshaye from St. Elizabeth. They will share their faith journeys with us from 7 to 8 PM. Please view the attached flyer to get the Zoom link.

This is a reminder that the Evangelization Committee in conjunction with St. Charles and St. Augustine-St. Monica is presenting an afternoon of training on Saturday, June 4<sup>th</sup> for our evangelization efforts in our neighborhoods. Whether you are interested in doing the door-to-door visits or being part of a prayer support group, please keep that date in mind.

We are also attaching three other flyers that may be of interest to you. One concerns an invitation to honor graduates on May 20<sup>th</sup> that will be held at Our Lady of the Rosary Church, one is an invitation to a symposium titled, "Healing the Racial Divide," to be held on May 22<sup>nd</sup> at Loyola High School. Retired former police chief, Ike McKinnon, will be the keynote speaker. Joni Scott will also be a speaker at that event. The third flyer advertises a clean-up event in our Gratiot Woods neighborhood to be held on June 4<sup>th</sup> beginning at 10 AM.

Please enjoy the warmer spring weather that is blessing all of us.

Keeping you in our prayers,

The Parish Team
