

Hello Parish Family,

We have a number of announcements to share with you.

Events happening this week:

Ash Wednesday Masses are at St. Charles at 10:30 a.m. and Nativity at 7:00 p.m.

Lenten Stations of the Cross. We are sorry that we cannot have in-person Stations of the Cross this year, but your safety is our paramount concern. In the same way that we did the Eight Days of Prayer, we will send you Stations that you can pray at home at your convenience. You will receive the link to the Stations in your email every Thursday and the information will also be posted on our Facebook page.

Lenten Zoom Presentation with Jesse Cox on Friday at 7:00 p.m. These presentations will continue every Friday during Lent. Later this week we will send the directions for how to access the Zoom presentation.

Additional announcements:

In case you missed the email that we sent earlier this week, the dispensation from in-person attendance at Mass has been extended to March 13th. If you have questions, please see the details that are contained in that email or go to aod.org to read the letter from Archbishop Vigneron.

Sharon Mudloff invites you to sign a card that she has brought to the church for Sr. Jolene. There is an extra piece of paper attached to it if there isn't enough room for you to sign the card. The card will be on a lectern by Mary's altar. If you would like to send your own card, Sr. Jolene's address is Siena Center, 5635 Erie St, Racine, WI 53402.

The Little Black Books are available at Church. They start today and go through Easter. These are the daily reflection books that Bishop Untener started many years ago and the Saginaw Diocese has continued to publish. If you would like one and are not able to attend Mass, let us know at the parish house by phone or email and we will get one to you.

Items that are requested for the Pantry this week are: canned vegetables, canned fruit and assorted treats like chips, chex mix, individual packaged sweets, etc.

One last item we want to bring to your attention is that Rite Aid and Walgreen's are now scheduling appointments for COVID 19 vaccinations. Hopefully you can make an appointment before their supply of vaccine is depleted. Thank you for your kind words of support. We continue to keep you in our prayers.

The Parish Team
