

Hello Parish Family,

We want to call a few things to your attention:

1. A great big THANK YOU to all who contributed to our 2020 CSA and with all of those donations, and a special person who gave us \$3,000 this week, we *MADE OUR GOAL!* If you planned to give and didn't do it, we know we will have a new goal for 2021, probably starting May 1, so if you can give then, it would be greatly appreciated. If you gave this past week and we go over our goal, the money is returned to Nativity.

2. For anyone who missed Jesse Cox's Friday Night Lenten Presentation on Zoom and would like to listen to it, please call the Parish House, 313-922-0033 or send us an email we will send you the link. There is an issue with the recording this week and everyone's email has to be added individually so this is why we are asking you to call or email. We hope to have it fixed by next week.

3. As Brother Ray said last week in Pastor's Pen, Nativity Church will be open Fridays in March from 11 a.m.-1 p.m. for private prayers or stations and the Sacrament of Reconciliation with Brother Ray. St. Charles will have the same from 1:15 p.m.- 3:15 p.m. on Fridays.

4. Requests for the pantry this week are for canned vegetables, tuna fish and mac and cheese.

5. Fran Carnaghi will be on the prayer list this so we wanted you to know that she is in the hospital for some tests and appreciates the prayers. However, she asks for no calls at this time.

Please take good care of yourselves and have a safe and healthy week,
The Parish Team
