Hello Parish Family,

We want to bring you up-to-date on a variety of things.

First, we offer our condolences to Terry Wilson on the unexpected death of her father, Pat Wilson. Many of you will remember that Terry was active in the choir and regularly played the tambourine. Please keep Terry and her family in your prayers.

Next, we have made enough progress in recovering from the flooding in the church basement that we will have the bathrooms open this weekend when you come for Mass. There is more work to be done in replacing the paneling and vanities in the bathrooms, but they have been thoroughly cleaned and sanitized and can be used.

There are two attachments included in this email message. Please see them for details. The first attachment is a flyer advertising our parish reception to celebrate Brother Ray. The reception is scheduled for Sunday, September 19th and is being planned by Kim Milligan and the Social Committee. You will hear more from the Social Committee at a later date. Please save the date so we can come together as a parish family to honor Brother Ray.

The other attachment comes to us from the Detroit Catholic Pastoral Alliance and it advertises a Zoom presentation this Monday about voter suppression, an issue of concern for all of us. The presentation will also discuss Proposal P, a Detroit only ballot proposal.

We are thinking of you and keeping you in our prayers,

The Parish Team
